Travel

By plane – The best way to arrive to Santander is through Madrid. Also, through Barcelona, though Madrid is preferable (higher frequency each day). There is also the possibility to have a direct flight from your country as well: Brussels/Charleroi (CRL), Dublin (DUB), Edinburgh (EDI), London/Stansted (STN), Milano/Bergamo (BGY), Paris/Beauvais-Tille (BVA), Roma/Fiumicino (FCO), and Vienna (VIE) have direct flights with Santander. The other option is to arrive to Bilbao airport (many direct flights with European countries); however, you need to take a bus or a private taxi: it takes around 1.5h to Santander.
